		Action:
1.	Quick update of what's happened for each of us since the previous meeting	
	The main rally orientated item was the unofficial team championships in Sweden and Finland.	
2.	Nordic championship	
	A lot of activity has taken place since the meeting 13 th July. We reviewed the drafts today: <ul style="list-style-type: none">• We thoroughly went through all the draft 1xx exercises and the descriptions were updated in the process.• It was agreed that Paul should check that all signs agreed 13th July (and documented in the MoM) are included in Solveig's presentation.• We thoroughly went through the draft Nordic Rally Obedience Rules, they were also updated in the process. We discussed separating the description of the rules and the event as such but agreed to postpone this – in the current stage it's easier to have the two areas covered in the same document.	Paul Solveig

		Action:
	<p>We agreed that the first year the secretaries must be chosen by the judges (from their own country). The following years it should be the arranging country providing the secretaries.</p> <p>We discussed how the costs should be paid. We agreed to look closer into the following model:</p> <ul style="list-style-type: none"> • Invited judges and secretaries pay costs in their own country including flight • Costs in the arranging country (transport, hotel, meals, fees etc.) must be paid by the arranging country • All participants must cover their own costs <p>The following actions were agreed:</p> <ul style="list-style-type: none"> • liris will update the rules • Solveig will update signs and videos • Beatrice will update descriptions • Paul will make draft for deductions and judging form (dommerseddel) 	liris Solveig Beatrice Paul
